

FAQs for the Equine Liberty Sports™ Tutorials

HOW LONG ARE THE TUTORIALS? 35 minutes to 55 minutes each.

HOW MANY TUTORIALS ARE THERE? Equine Liberty Sports has chosen to make early teaching tutorials available as the program is being taped. It is estimated that the Equine Liberty Sports teaching program will offer approximately 30-40 tutorials. There will be tutorials in other teaching categories offered as well.

WHY ISN'T THE ENTIRE PROGRAM AVAILABLE AT THIS TIME? Simply, Leslie Nichols, creator of Equine Liberty Sports, didn't want to wait to get the ideas to you! Equine Liberty Sports teaches a new way to experience your horse and you should thoroughly enjoy the tutorials that are available at this time.

HOW DO I GET STARTED ON LEARNING THE PROGRAM? Equine Liberty Sports invites you to purchase 6-month subscriptions. These subscriptions enable you to view currently available tutorials and tutorials released during your subscription period, for that duration of that period. The subscription also gives you immediate access to the Liberty Handlers Arena, a private section of the Equine Liberty Sports website that is dedicated to supporting you as you progress through the program. Go to the Subscriptions page for more information or click a "Subscribe Now!" button to get started!

HOW MUCH DOES IT COST TO START THE PROGRAM? One of the wonderful benefits of offering tutorials to you through the internet is that you can get going with minimal investment. Go to the Subscriptions page for more information on fees. Equine Liberty Sports wants everyone to enjoy the incredible experience of learning Liberty... and we are doing everything we can to make it possible for ALL horse owners!

WHAT TUTORIALS ARE AVAILABLE AT THIS TIME? Tutorials from 2 categories: *Phase I, Invitation to the Dance*, lessons from the teaching program, and *Off-Line Changes Everything!* tutorials that explore the principles of Equine Liberty Sports.

WHAT KINDS OF ACTIVITIES CAN I EXPECT TO SEE AND LEARN IN THE TUTORIALS? The Equine Liberty Sports program exercises will be taught to you by creator, Leslie Nichols, on horses of different ages, breeds, temperaments and previous training experience. Some of the "video stars" are well into the program, others are learning the program as it is being taped. Most importantly, there is no "wonder horse" being featured. You will learn brand new exercises that will teach you a new communication with your horse and guide you on the transition from on-line work to Liberty work. All early lessons are learned at the walk. The *Off-Line Changes Everything!* tutorials feature Leslie Nichols presenting and demonstrating major principles of the teaching program on various horses, as well as presenting exercises to support the ideas.

DO I NEED EQUIPMENT FROM EQUINE LIBERTY SPORTS TO START THE PROGRAM? No. You do not need to purchase special equipment to do the program.

WHAT EQUIPMENT IS RECOMMENDED TO GET STARTED ON THE PROGRAM? We recommend a rope halter that is of medium weight, medium thickness, medium flexibility. You will need an 8-12' rope line, medium to thin in weight, and as flexible as possible. Ideally, the line has an eye at the end that can be knotted underneath the rope halter, however, lines with clasps are also useable.

WHERE CAN I GO IF I HAVE QUESTIONS? The Liberty Handlers Arena on the Equine Liberty Sports website is a private section dedicated to helping horse enthusiasts who have purchased tutorials and are learning the program. The blog on this website is also an excellent resource. We invite you to contact Equine Liberty Sports directly with your questions and we will do our best to post responses on the Liberty Handlers Arena pages.
